Realized I forgot you off the CC Becky! See below for Lena's search for the Action in Plan in Don Benton's files: nothing picked up.

Sorry – I thought I got back to you. Nothing from Benton's accord. Nothing from the few pieces of paper he had left in his office either. Just what I sent you from Schnare account.

That's all.

Hello Lena!

Hope you had a lovely weekend. Wanted to just quickly check and see if the search yielded anything. Haven't heard from you, so I assumed nothing came back, but wanted to make sure.

Hello Lena!

Could you also run the same searches for Don Benton and let us know if he possesses the report?

Thank you so much!

Hi Lena!

Per our conversation, could you double check for Action Plan, or Agency Action Plan, maybe even Climate Action Plan? That's how some of the FOIA requesters have been terming Myron Ebell's report.

Thank you!

Becky – I checked David Schnare's account. No such report and I tried multiple variations.

Please send me in an email the name of the document you are searching for and I will look for it.

David left nothing hardcopy. He walked out of EPA one day without telling anyone.
